

# EPSILON NUZ

## FROM YOUR PRESIDENT . . .

Dear Epsilon Nu Sisters,

March was a very good month for us. I am so excited that our Garage Sale was so successful! \$800 for our Recruitment Grant fund. Our joint meeting with Iota Pi on March 20th was a very enjoyable. They provided the location and the program. Photographer David Hares had a wonderful slide presentation of National Parks. We provided the refreshments thanks to Linda Tindall and Emily Yee. We had 11 members and one guest who is a former member, Nancy Richardson. We are hoping she will come back to us.

Our next meeting is May 1st at the Villas clubhouse. Our own Melodie Wahlert will give our program about the two children's books she has written. I'm really looking forward to hearing that! How wonderful to have a published author in our chapter. It will also be our Founders Day celebration. We will have a short business meeting. The inspiration will be given by Pam Cook. Carol Flack, Susan Beltram, Linda Tindall and Shirley Craft will be the hostesses.

Social time is at 5:00 and the meeting begins at 5:30. I hope to see everyone there.

Happy Spring,  
*Carol Flack*

## April Meeting and Upcoming May Meeting

Epsilon Nu had a joint meeting in April with Iota Pi. The program was David Hares, who is a published photographer of our US National Parks. He shared an amazing journey through most of the parks and his photos were breathtaking!

Melodie Wahlert is presenting at our May meeting about the journey to becoming a children's book author/illustrator. She'll share her first book, ***Gabby the Chicken The Great Escape*** and will discuss how one gets started in self-publishing on Amazon.

Susan and Melodie attended the TSO Technology Conference in Cleburne on April 1. The event was organized by Tracy Shea, and she did a fabulous job! We enjoyed sessions about organizing your gmail, how to use Google Drive (and that crazy nebulous thing people call *The Cloud!*) Melodie's friend from 20+ years ago, Miguel Guhlin was the key presenter from TCEA. Susan won the grand prize...a Dell Chromebook!
